

SPONSORSHIP PACKAGES

Synergy Toronto 2026 offers a unique opportunity to connect with Catholic leaders across Canada and demonstrate your organization's commitment to meaningful social impact—here's how you can be part of it!

November 3rd - 5th, 2026 at the Chelsea Hotel, Toronto

PRESENTED BY:

Catholic Praxis led by Catholic Charities of the Archdiocese of Toronto and Partner Agencies

WHY SPONSOR US?

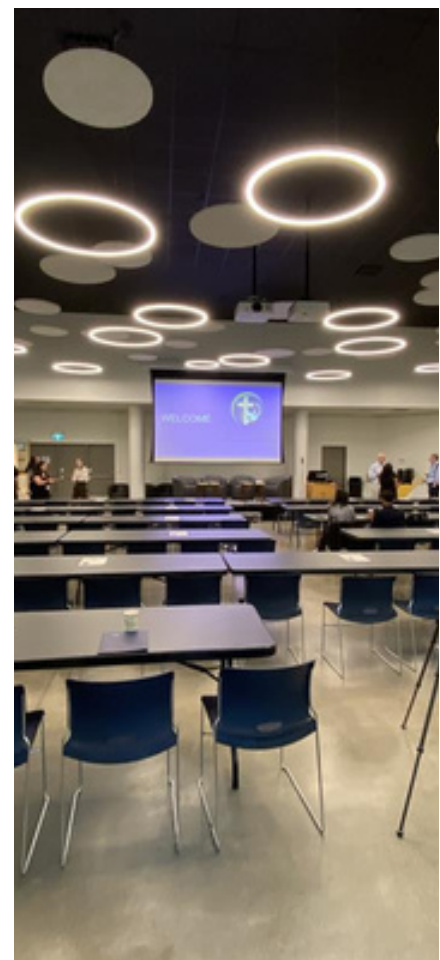

Across our ministries, Catholic organizations often serve the same communities, guided by a common commitment to human dignity and the common good. Yet too often, this work unfolds in isolation. ***Synergy Toronto 2026 is designed to challenge that.***

For the first time, leaders from across the Catholic Social Services, Health, and Education sectors will gather in one place to intentionally explore how we can move from parallel work to shared mission. Together, we will strengthen relationships, align our efforts, and identify concrete ways to respond more effectively to today's most pressing challenges – including poverty, housing instability, food insecurity, and mental health.

We invite you to be part of this moment – to help shape a more connected, collaborative future and amplify our shared impact in serving those most in need.

Sponsoring Synergy Toronto 2026 means:

- ✓ **BRAND VISIBILITY**
- ✓ **STRATEGIC NETWORKING**
- ✓ **MISSION ALIGNMENT**
- ✓ **COLLABORATIVE IMPACT**

CUSTOM IMPACT SPONSORSHIP PACKAGE - DIRECTED OPPORTUNITIES AND IN-KIND

To accommodate partners seeking greater flexibility and tailored impact, the conference offers *Custom Impact Sponsorships*. This option allows sponsors to align with specific conference moments, audiences, or experiences—through financial support, in-kind contributions, or directed-activity sponsorships—rather than a predetermined package.

Examples of Custom Impact Sponsorship:

- Sponsor a welcome dinner for conference attendees
- Sponsor an evening networking event, such as a cocktail reception, that fosters connection among participants
- Sponsor student or accessibility registrations to increase affordability and participation across diverse groups
- Sponsor a learning or content opportunity such as a plenary session, keynote presentation, workshop or breakout session
- Sponsor or contribute in-kind donations that enhance the conference experience—such as accessibility tools and technology, printing of participant materials, food and beverage, or branded merchandise
